

Fort Lauderdale's Sunshine Chordsmen

An A Cappella Performing chorus and Chapter of the National Barbershop Harmony Society. Our motto?
Keep the Whole World Singing!

Whether competing against the top barbershop choruses in the world, or reaching out to South Florida's youth with music education programs, the Sunshine Chordsmen are sure to bring a smile to music lovers everywhere.

Established in 1985, the Sunshine Chordsmen were formed to compete with South Florida's rapidly growing musical ensembles, and to raise interest in this expanding, cutting-edge form of a cappella harmony. Performing at a variety of outdoor festivals, vocal concerts and other local musical venues has allowed the Sunshine Chordsmen to reach a level of excellence unparalleled in South Florida.

The Sunshine Chordsmen boast a wide variety of accomplishments and competitive successes. On a state level, Fort Lauderdale's chapter has been setting new standards for achievement and overall vocal improvement, winning Most Improved Chorus twice in 2000 & 2001, Second Place Champion overall for the last four years competing against chorus's five times their size and becoming Champion of their Plateau. The level of quality in each performance continues to present a professional and enjoyable experience for all.
